

## **Shaping Up Review**

This is a quick review strategy.

### **Teacher Preparation:**

1. Make a copy of the handout (4-10-2) for each student.

### **Lesson Plan:**

1. Have students fill in the worksheet.
2. Share in small groups.

Adapted from a workshop conducted by Daniel R. Moirao for the Academically Gifted Department of the Wake County Public School System in November, 2006.

## Shaping Up Review

Write 4 things that are important  
to be remembered.

Write 1 thing that you  
enjoyed learning.

Write the 3 most important facts you learned.

Write 1 all-encompassing  
statement that summarizes the  
most important concepts learned.

Adapted from a workshop conducted by Daniel R. Moirao for the Academically Gifted Department  
of the Wake County Public School System in November, 2006.
